However, any senior from Clearfield High School may apply. Applicants are required to list the name and email addresses of at least two teachers whom they feel will offer brief recommendation on their behalf.

Students who are deserving of this award:

- Would like to pursue some form of higher education (preferably in a Humanities related field, but not required)
- Show grit, determination, and utilize growth-mindset
- Value character and community

Students who seek to apply will need:

- A copy of this **Scholarship Guidelines and Requirements** document
- To be a graduating student of **Clearfield High School, Class of 2021**
- To complete this digital form: Peregrine Smith Scholarship form and submit it by **Friday, April 24, 2021, 3:00pm.**
- To include the names and email addresses of two teachers who we can reach out to for a personal recommendation (this will be done on the digital form above, not on a separate document)

Submissions will be evaluated primarily on the student's responses to the prompts, although teacher comments will also be taken into account. Please **do not send transcripts, GPA, financial status, or college of choice** as these are not meant to be taken into account for this award.

Selection will be determined by the foundation's scholarship committee and will be awarded at the CHS Awards Assembly, or on the school's website in the event that the assembly is not held.
